

Room Nine Tidbits

August 29, 2016

Weekly Objectives

Science-

- Describe what scientists do and how to keep safe during investigations

Social Studies-

- Routines of being a good citizen of the classroom and school
- Sequence of events and chronology

Looking forward to a great week!

Ms. Brown

First Grade Families,

Our weekly objectives are:

Reading/Language Arts-

- Letter sounds m, s, t
- Build words with short a
- Why writers write
- Introduction to CAFÉ- Comprehension, Accuracy, Fluency, and Expand Vocabulary

- Check for understanding while reading

Math-

- Count forwards to 120 (by 1's, 5's & 10's) and backward from 100 (by 1's)
- Identify and apply number patterns in order to describe relationships

Action Points:

- Thank you for taking the time to fill out the forms and surveys the first week of school.
- Open House for PK-2nd grade will be next Wednesday, September 7th, at 6pm.

In Our Classroom...

- Jackets and water bottles are welcome. Please send reusable water bottles as they are easier for the students to close and cause less spills.
- Please practice tying shoes at home if your child wears shoes with laces to school.
- If your child needs to leave school early, please send a note in their yellow folder or email me at least one day before.

If it is the day of the appointment, or there is a change in pick up arrangements for that afternoon- please call the front office at the number below so your child will be prepared to leave.

Thank you!

School Procedures

- If your child would like breakfast from the school cafeteria in the morning, they need to get it as soon as they arrive at school (before they go outside to the playground).
- Students will be counted as tardy after the second bell at 7:45 if they are not in our classroom.
- Dismissal is now at 3:05 this year.

Dates to Remember:

Spirit Night 8/29

Labor Day—NO SCHOOL 9/5

Open House—Grades PK-2 9/7

PTO Meeting—6:30 PM 9/13
